

## Exploring Stories:

### STANDARDS ADDRESSED

#### **Grades K-4**

##### Science-

###### *Earth and Space Science*

###### Objects in the Sky

- The sun, moon, stars,...all have properties, locations, and movements.

###### Changes in the Earth and Sky

- Objects in the sky have patterns of movement.

###### *Science and Technology*

###### Understanding About Science and Technology

- Science is one way of answering questions and explaining the natural world.

##### Language Arts-

###### *Reading Standards*

- Standard 5- Demonstrates competence in the general skills and strategies of the reading process
- Standard 6- Demonstrates competence in the general skills and strategies for reading a variety of literary texts

###### *Speaking and Listening Standards*

- Standard 8- Demonstrates competence in speaking and listening as tools for learning

#### **Grades 5-8**

##### Science-

###### *Earth and Space Science*

###### Earth in the Solar System

- The earth is the third planet from the sun in a system....
- Most objects in the solar system are in regular and predictable motion.

##### Language Arts-

###### *Reading Standards*

- Standard 5- Demonstrates competence in the general skills and strategies of the reading process
- Standard 6- Demonstrates competence in the general skills and strategies for reading a variety of literary texts

###### *Speaking and Listening Standards*

- Standard 8- Demonstrates competence in speaking and listening as tools for learning

#### **Grades 9-12**

##### Science-

###### *Earth and Space Science*

###### The Origin and Evolution of the Earth System

- The solar system formed from a nebular cloud of gas 4.6 billion years ago.

##### Language Arts-

###### *Reading Standards*

- Standard 5- Demonstrates competence in the general skills and strategies of the reading process.
- Standard 6- Demonstrates competence in the general skills and strategies for reading a variety of literary texts.

###### *Speaking and Listening Standards*

- Standard 8- Demonstrates competence in speaking and listening as tools for learning.
